Flexxo Twin duo lightweight pram | pushchair | buggy

The Flexxo Twin comes with two pushchair seats as standard, but also with the option of one seat and an Omega Twin carrycot (optional) or two Omega Twin carrycots (optional). The Flexxo Twin is a total of 76 cm wide with suspension on every wheel and a lockable swivel wheel at the front. Ride in safety with

the 5-point safety harness and a backrest that slides smoothly from a sitting to a sleeping position. Both rear wheels have brakes and the upholstery can be removed for washing. The detachable ball bearing wheels are equipped with comfortable airtyres to chauffeur your child in comfort.

Why choose a Flexxo Twin?

Not to mention:

- high performance lightweight aluminium frame
- complete pram/pushchair, suitable for twins or two children of different ages
- canopies and seats can be adjusted independently of each other
- the backrests adjust smoothly from a sitting to a lying position and the footrests can be placed in a fully horizontal position
- 76 cm wide
- also comes with an option of one seat and one Omega Twin carrycot (optional) or two Omega Twin carrycots (optional)
- folds away quickly and easily
- adjustable 5-point safety harnesses, now also height-adjustable
- UV, dirt and water-resistant materials
- suspension on every wheel
- simultaneous brakes
- shopping baskets
- transport lock
- safety lock
- height-adjustable shoulder straps
- shoulder pads
- detachable, adjustable canopies
- extra storage compartments with zip fasteners
- canopies equipped with triangular reflectors
